Course directors

Dmitry Kazakov and Michal Michal, Department of Pathology
Charles University Hospital and Medical Faculty Pilsen, Czech Republic and Bioptická laboratoř s.r.o., Pilsen, Czech Republic

Speakers

Guido Massi, Rome, Italy

Dmitry Kazakov, Pilsen, CZ

Michal Michal, Pilsen, CZ

Helmut Kerl, Graz, Austria

Katrin Kerl, Zurich, Switzerland

Course structure

Major lectures will be held on May 26, 27 and 28 in the main seminar room. The major lectures will include in depths discussions of cases, some of which will be screened and placed on a website before the seminar for registered participants to preview the cases. On May 29, there will be 3 sessions at a 30-place multihead microscope, each lasting 3 hours.

Seminar Fee

140 euro for the whole course (major lectures plus multihead sessions)

100 Euro for major lectures only

Please note that it is not possible to select multihead sessions only

Payment should be performed via a bank transfer (see details on the website). A confirmation of the payment will be sent.

Registration

Registration starts on 1st of September 2015 at the website www.patologie.cz and is based on the first-come (pay), first-served basis. **Please note a limited capacity of the seminars rooms (60 places for major lectures, 29 sits for multihead sections).**

Transportation

Pilsen is easily reached by bus or train from Prague (bus goes from the underground station Zlicin; train goes from the main railway station). The Bioptical laboratory is only 200 m away from the railway station in Pilsen. Individual transportation from Prague airport and back can be organized for 50 Euros (regular taxi price one way is about 100 eur) and should be communicated with Mr David Michal in advance (david.michal@medima.cz; [+420-737 220 415](tel:+420737220415)).

Bioptická laboratoř s.r.o.

Mikulášské náměstí 4 | 326 00 Plzeň | IČ: 49197827 | DIČ: CZ49197827
tel.: 377 320 667, 603 83 53 53, 603 84 66 44 | fax: 377 440 539 | e-mail: biopticka@biopticka.cz
